HAPPY HOLIDAYS!
SEASON'S GREETINGS : Best Wishes for 2022

Happy Holidays from everyone at Thinklogical! I would like to extend to you our best wishes for a safe, healthy and enjoyable holiday season.

2021 has been an exciting year for Thinklogical, with DoDIN APL certification of our TLX line, the launch of innovative new products like our SMP3 control system and Touch Panels, and new and expanded relationships with customers and partners worldwide.

Thank you for your continued support and business. We sincerely appreciate the trust you place in us and our products, and look forward to serving you in the upcoming new year.

From our team to yours: Seasons Greetings and Happy Holidays to all!

LEARN ABOUT NEW C4ISR TECHNOLOGIES AND CAPABILITIES : Online Jan. 27-28

Thinklogical proud to be a sponsor of the C4ISR and Beyond virtual conference Jan. 27-28.

C4ISR and Beyond is a two day conference that brings together stakeholders from industry, military and government to discuss lessons learned, share technological advancement and its impact within the industry.

We're proud to support the mission of Canada's DND and RCMP with a secure, multi-classification command and control infrastructure that enables situational understanding and faster, better-informed decisions.

This event is free to military and government. [LEARN MORE...](#)
